

Person Specification - Kitchen Assistant

For all roles at Newbury Hall we expect candidates to demonstrate an ability to work in a way that promotes the safety and wellbeing of children and young people.

Qualifications & Experience:

Essential:

- We welcome all applications regardless of qualifications or previous experience.

Desirable:

- Three months' experience working in a kitchen or related role.
- Experience working in an environment where safety, hygiene and children's wellbeing are valued.

Competencies & Qualities

Essential

- Taking safeguarding, health & safety seriously, including training requests.
- A good understanding of the need for cleanliness and organisation in a kitchen.
- A willingness to help with chef with all reasonable requests to keep the kitchen running.

Desirable

- Being proactive when there are no obvious tasks needing done immediately: doing extra cleaning or getting ahead with preparations.
- A communicative level of English, at least in terms of catering.
- An ability to understand the attitudes and behaviours of teenagers and respond appropriately.
