This policy is underpinned by our core values as stated in our aims & ethos.

The aims of the Curfew Policy are:

- To express the school’s commitment to safeguarding and promoting the welfare of students;
- To clearly describe age-appropriate freedoms;
- To clarify for all parties the various permissions required.

The school reserves the right to override parental consent and forbid a student from leaving school or Newbury if we have reason to believe that a student may act irresponsibly and therefore that such denial of permission by the school would be in the best interests of the student themselves or others.

Parental consent must be received in writing from an email address known to the school: typically either a parent’s or agent’s.

Age	Permission to leave school within the local Newbury area unaccompanied?	Permission to leave the local Newbury area unaccompanied?
13	Only after written parental consent has been received, and then only with a friend	Never
14	Yes, but only with a friend	Never

17	Yes	Only with parental consent (except permission)

Registrations

Registration times are displayed publicly in school and all students are made aware of the importance of punctuality to them in the morning, at lunch, at dinner and in the evenings.

Unless agreed otherwise in writing, all students must attend all registrations, and must return to school by 20:45 at the latest every evening ready for evening registration.
